2019-2020

The Roofing Alliance's Most Valuable Player (MVP) Awards program celebrates workers who are outstanding employees within their companies and recognizes them for their outstanding performance outside the workplace—their charitable deeds, community involvement, challenges they've overcome, dedication and commitment to helping others.

## OUTSTANDING ON-THE-JOB PERFORMANCE/WORKMANSHIP

Dedicated, reliable employees are vital to a company's success. And, among those employees, usually one stands out above all others. That's the employee who:

- Has a strong work ethic
- Shows leadership, initiative and resourcefulness
- Has earned an outstanding safety record
- Shows support for his or her co-workers
- Goes above and beyond

## OUTSTANDING PERFORMANCE/OTHER NOTEWORTHY CONTRIBUTIONS OUTSIDE THE WORKPLACE

Outstanding workers not only have a passion for the work they do and a sense of loyalty toward their employers, but they also show compassion for others outside the workplace. They volunteer their time with their communities, churches, families and friends. They are determined to overcome challenges and obstacles they may face personally or stand by others who need their support. They're always willing to extend a helping hand. They display:

- Exemplary service
- Leadership
- Commitment
- Selfless devotion

MVPs are role models who demonstrate work-related and personal goals to which others aspire. Through the MVP program, you can nominate your employee for an award to formally recognize his or her outstanding contributions through on-the-job performance and workmanship or for outstanding performance and other noteworthy contributions outside the workplace.

## DEADLINE FOR NOMINATIONS IS NOV. 15, 2019.

Details and an entry form are available at [www.roofingalliance.net](http://www.roofingalliance.net).

Questions? Contact Bennett Judson, the Roofing Alliance's executive director, at (800) 323-9545, ext. 7513 or [bjudson@roofingalliance.net](mailto:bjudson@roofingalliance.net).

In addition, one MVP winner will be chosen to be *Professional Roofing's* Best of the Best. *Professional Roofing* and OMG Roofing Products Inc. co-sponsor this elite recognition. In addition to a special prize, the winner will be highlighted in a feature article in *Professional Roofing*.

## ELIGIBILITY

The MVP Award program is intended for field and warehouse workers **only**, who typically may not be publicly acknowledged for their efforts or eligible to participate in recognition or incentive programs within their companies.

Following are the levels and job titles for **eligible** workers employed by an NRCA member or nonmember roofing contracting, distributor or supplier firm. (*Sales personnel, office managers, project managers and owners are **not eligible**.*)

**Roofing contracting firms**—any field roofing worker, foreman or superintendent is eligible. The number of nominations per firm must not exceed three per company branch.

**Distributor and supplier firms**—any warehouse employee, warehouse foreman, driver or equipment operator is eligible. The number of nominations must not exceed five per national firm.

Self-nominations are not permitted; rather, each participating firm or his or her designee is responsible for preparing and submitting the entry form(s) and **including supporting information**—a minimum of 100 words. Input from supervisors and co-workers is strongly encouraged, as well as testimonial letters from customers, the charity or community service organization the nominee is involved with, and family or friends. Be sure to include any materials, such as press clippings, awards, acknowledgements, articles, etc., that will help the judges understand why the nominee should be selected.

## CRITERIA BY WHICH NOMINEES WILL BE EVALUATED

Nominees will be evaluated based on significant contributions in the following categories. (*Nominees can be nominated for one or both categories; each category will be judged separately.*)

- **Outstanding on-the-job performance/workmanship:** Nominees for this category demonstrate a strong work ethic; display leadership skills; contribute creative ideas for problem solving; have an outstanding safety record; contribute to the improved safety of the work crew; demonstrate support for co-workers and helping others learn; show initiative and resourcefulness in helping to recruit and retain workers; and are respected by their peers. **These workers go above and beyond their specific job responsibilities.**
- **Outstanding performance/other noteworthy contributions outside the workplace:** Nominees for this category exemplify compassion for others through their community involvement, volunteering with charitable organizations and helping those who need assistance. They may also have remarkable stories of self-accomplishment—defying the odds against them or overcoming insurmountable obstacles. The award is based on the nature of such service, its overall effect and the zeal with which it has been performed. It includes any service performed that helps improve the lives of people served. Nominees inspire those around them to better serve their communities. They are examples of the type of citizens most valuable to our communities and industry.
