Keeping families close™

December 31st, 2019

Dear Bennett,

On behalf of Ronald McDonald House Charities of Western New York, Inc. (RMHC of WNY), thank you so much for your very generous donation. Our house was built in 1895 and we work very hard to keep it in good condition for our guests.

The programs and services offered by RMHC of WNY keep families with sick/injured children together and near the care and resources they need.

Our cornerstone, the **Buffalo Ronald McDonald House** has been caring for families with seriously ill/injured children for over 35 years. Our comfortable house on West Ferry Street has been a *home away from home* for more than 20,000 families who have had to travel to Buffalo for specialized care for their children.

Our **Family Lounge**, located in Oishei Children's Hospital is a welcoming, home-like space for families, just steps away from their children in the hospital. Markedly different than its clinical surroundings, our Family Lounge provides patients and family members a place to rest, refresh, have a snack and prepare for the emotional and mental demands of having a child in the hospital. Since opening, over 8,200 visitors from both the local community and far, have visited our Family Lounge.

Our **Happy Wheels Cart** also located in Oishei Children's Hospital travels room to room offering patients and families complimentary beverages and a snack while enabling them to remain at their child's bedside.

Children heal better when surrounded by the comforts of home and family. Your continued support of RMHC of WNY ensures we can continue to provide support and compassion and keep families close when they need each other the most.

Thank you for improving the health and well-being of children and their families.

Warm regards,

Lynn Hughes
Director of Operations
